

Global Container Names Stephen Controulis As Chief Financial Officer

Boston, MA – (BUSINESS WIRE) – July 19, 2021 – Global Container International Holdings LLC (“GCI”) today announced that Stephen Controulis will be joining its executive management team as Chief Financial Officer.

Steve is an accomplished C-Suite executive with significant experience in financial services, including more than 20 years in the container leasing industry where he was the Chief Financial Officer of Triton Container International Limited. Most recently, Steve was the Chief Financial Officer of Solar Mosaic, a specialty “clean-energy” finance company. Steve holds an MBA degree from the University of Michigan and a BS degree from New York University.

Jeffrey Gannon, CEO of GCI, noted, “We are incredibly excited to bring Steve on board and to welcome him back to the container leasing industry. Steve brings a depth of experience that makes him uniquely qualified to immediately add value to our rapidly expanding business platform. We look forward to him joining our team.”
